Once you have received your confirmation of booking, the balance of payment due must be sent to us 10 weeks prior to departure. If a booking is made within 10 weeks of departure, full payment must be made on receipt by the party leader of the confirmation invoice. This date is shown on the confirmation invoice. Reminders are not sent. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown under "Cancellation By You" below depending on the date we reason-ably treat your booking as cancelled.

The party leader (who must be at least 18) is responsible for all those named on the booking and for making all payments due to us. All correspondence will be sent to the party leader at the address on the booking form or to your travel agent.

If you have any medical condition or disability which may affect your tour or have any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your tour develops after your booking has been confirmed.
